

ELLIOTT MURPHY

INTIME [EP]

Last Call Records

Intime is a five-song collection of intimate songs recently written and recorded by Elliott Murphy in Paris. The songs were inspired as he sat at his kitchen table looking at the vacant window across the street on Rue Beauregard. Produced and mixed by his son Gaspard Murphy and featuring Olivier Durand on guitar along with Laurent Pardo (bass) and Alan Fatras (drums). There is a 21st Century spiritual theme throughout the collection with a production style that is both modern and traditional at the same time, unlike anything Elliott has previously released *Intime* is a very powerful personal collection of recordings which demand ... intimacy.

Celui qui regarde du dehors à travers une fenêtre ouverte, ne voit jamais autant de choses que celui qui regarde une fenêtre fermée.
(A man looking out of an open window never sees as much as the same man looking directly at a closed window.)

Charles Baudelaire, Les Fenêtres, Petits poèmes en prose, 1869
